A resident brought up Waste Management and the dividing line was made clear to be WEST of (The Freeway) as the dividing line for Tuesday pickup. Another resident brought up Lapham Rd. being paved and Terry Acton said it is the strong intention to have all of Ash Acres paved. After we move into our new offices and the construction is out of the way, we will have more room In the new building for property owners to attend these very important meetings regarding the paving of all of Ash Acres and it's benefits. Petitions will need to signed and 51% will be needed for it to pass. SAD for asphalt roads increases the value of the property, prices will be given and the terms.
