› What is the one thing about Hayes Township you would change?

› What are Hayes Township's most positive aspects?

Hayes Township is preparing an updated Master Plan. The updated Master Plan will establish a renewed vision for land use and development, which is consistent with the overall character of the Township. The Plan has a long-range focus, exploring needs and goals over the next 5 to 20 years. Your feedback will be used by the Township as we prepare the updated Master Plan.
